 **Chester**
2-year-old male

Hi, my name is **CHESTER**, and I am a Labrador mixed with maybe a Pit Bull? I'm dark, smart, handsome, and sweet, and I'm in search of someone who loves outdoor activities and is great at playing ball. Can't you just see us this spring, taking a hike or walking the Ma & Pa Trail? Come see why we love Chester and take him out for a romp! (P.S. Chester is a member of our Lonely Hearts Club, so his adoption fee is reduced by 50%.)

Hey there, my name is **SKITTLES**. I'm a very sweet boy. I'm about 10 months old, and my owners had to surrender me because they were moving and could not take me. I miss them, but hope to find my new fur-ever home soon. I am a little different than the other kitties...my right leg faces in a bit, but it doesn't hurt or make me walk funny. My tail is a little bent too, but I was born that way. It just makes me that much more special cause I have something the other kitties don't! I'm also neutered. Stop by the kitty house and see me...I'll steal your heart!!

Razor
7½-year-old snake

Hello, my name is **RAZOR!** I am a 7.5-year-old Carpet Python. I am about 6-7 feet long and I am very cool! I was surrendered because my owners could no longer care for me. I am very unique looking. I would make an excellent addition to an experienced reptile loving family. Come to the shelter and see what I am all about! (I am in the Lonely Hearts Club, so my adoption fee is 50% off).

If you are interested in adopting Chester, Skittles, Razor, or any of their friends at the shelter, please contact The Humane Society of Harford County at:
